

SMART IRRIGATION CONTROLS

PROVIDED BY **FL-WET.ORG** & **TOHO WATER AUTHORITY**

CALL FOR MORE INFORMATION
OR TO REGISTER:

**Judy Benson 407/765-1432 or
Rodney Tilley 407/944-5121**

A **FREE** introductory course prepared for contractors and others who work within the irrigation and landscape industry.

- **Equipment**—various styles & manufacturers (Evapo-Transpiration, soil moisture sensor, weather-budgeting)
- **Site variations**—specify & install the best control for each property
- **Water Scheduling & Budgeting**—sharpen your pencil and learn methods and techniques to conserve water while sustaining landscape

Get hands-on with working demos and actual in-field experiences that will be available and discussed during this informative training session.

Need Continuing Education Units?
